

## **Live: Shok Güzel (Support: Kommando Schimmelkotze)**

Mittwoch, 08.05.2024, 20:30 Uhr - Sumpf

"Shok Güzel unites 4 people with different musical backgrounds and tries to cross the lines between hardcore, punk, and other Genres. Despite, self-categorised as 'Happy Hardcore', the English and Turkish lyrics combined profess a clear antifascist and feminist point of view, which sometimes is not that happy. Shok Güzel is part of the DIY Label collective "George Korea?."
